

BIO BIMBO Rolled Brim Baby Hat

Size: Preemie, (newborn, 3 months, 6 months).

Materials: 1-50g ball of Bio Bimbo- shown in colors (from left to right): 982, 1395, 48, 296, 68, 492, 3676.

Needles: Set of double pointed needles: size US 3 (3.25mm), and 1 stitch marker. Use different sized needles if needed to yield the desired gauge.

Gauge: 7 sts = 1 inch over st st.

Cast on 72 (80, 88, 96) sts, divide them between 3 of the double pointed needles. Place marker, and join being careful not to twist the stitches. Knit for 4" (4.5, 5, 5.5) ending at the marker.

On the next round, begin decreasing as follows,

Rnd 1: *(Knit 6, k2tog); repeat from * around.

Rnd 2: *(Knit 5, k2tog); repeat from * around.

Rnd 3: *(Knit 4, k2tog); repeat from * around.

Rnd 4: *(Knit 3, k2tog); repeat from * around.

Rnd 5: *(Knit 2, k2tog); repeat from * around.

Rnd 6: *(Knit 1, k2tog); repeat from * around.

Rnd 7: *(K2tog); repeat from * around.

Plain top: Cut yarn and draw through remaining sts. Pull up tight and anchor. Weave in all ends.

Alternate: Nub or knot top:

Rnd 8: *(K2tog); repeat from * around if needed to decrease the number of stitches to 4 or 5.

Working on 2 needles, work I-cord: (knit the stitches, slide them to other end of needle, wrap yarn around the back and pull tight, knit them again. Repeat.) for 5-6 rows for a small nub, or for 2" for a long cord that you can knot.

Cut the yarn leaving a 12" tail, thread it through the remaining stitches, draw up tightly, and pull needle down through the top to the inside. Weave in the ends.
