## Finishing

Wet block the shawl to measurements, pinning out the center point.

Tassels (Optional): Using a piece of cardboard, (Or a book! or an ipad mini!) that measures 5 ½" wide, wrap 60 times around. Fasten off the tassel at the top through all the strands. Take off the cardboard. Then, wrap the yarn around the top 1" of the tassel around the entire tassel. Secure the ends and fasten off. Attach the tassel to the end of the scarf. Make another tassel and repeat. Weave in all ends.
