**Braid**

Cut 3 strands of yarn each 30" long. Hold strands together and fold in half. Use a crochet hook to draw fold through lower edge of earflap to make a loop. Pull ends through loop and tighten. Divide strands into 3 groups of 2 strands each and braid. Knot ends. Trim ends.

In same way, make a braid on second earflap.

Make a large Pompon for the top if desired. Anchor in place.
