With one needle, loosely cast on 56 sts. Divide onto 3 needles. Being careful not to twist the sts, join and work in the round as follows: (K1, P1) around. Work in K1-P1 ribbing for 1”. Change to Textured rib pattern and work until cuff length is about 7”, or desired length. Next round: Work to last 10 sts, bind off 10 sts. Next round: Work in pattern, casting on 10 sts over bound off sts. Work 2” in pattern. Change to k1-p1 rib for 1”. Bind off loosely in in ribbing. Weave in all ends. Make second glove, counting rows to make sure it is the same length.
