MOJITO MERINO Traveling Cowl

1 Ball

Size: 22” around X 12” deep (30 x 17”).

Materials: 1- 50g ball Mojito Merino shown in color 23 Copper; (2 – 50g balls shown in color 24 Olive)

Needles: 24” size US 10 needles. Larger needle for cast on and bind off (10.5 or 11 needle).

Gauge: 16 sts =4” over st st. Gauge not overly important.

With larger needle, very loosely cast on 89 (121) sts. Join into the round and knit. No need for a stitch marker to mark end of round.

Work in (K4, p4) until almost out of yarn leaving enough yarn for a **very loose** bind off.

2 Ball

Bind off very loosely using a larger needle. Weave in all ends.

Note that the repeat is not “correct” for the number of sts. You will be moving the 4x4 repeat one stitch to the left with every round.

Abbreviations: K = knit, p = purl, RS = right side, st(s) = stitch(es).
